

Safe-T-Rail

Polished Stainless Steel

Powder-coated Black

Optional RailStand

Includes

- Ultra-sturdy, black powder-coated, rust-free aluminum or polished stainless steel construction
- Slip-free foam grip
- Two composite mounting brackets with 8 screws each
- Mounts on virtually any above-ground spa
- 5-minute installation
- Maximizes safety in and around the spa

- | |
|---|
| ○ Optional RailStand available for weaker spa skirts; just slide the kickplate underneath the spa instead of attaching the brackets to the side of the spa |
| ○ Screws holes are a tight fit, recommend jiggling the rail down into the bracket after the bracket is attached to spa |
| ○ Best used with a SmartStep, SmartStep Jr or DuraStep |

Dimensions

- ✓ Safe-T-Rail: 48" H (32 1/2" from the bottom of the rail to the start of the curve on the rail)
