WOOD-FIRED OVEN KIT

by

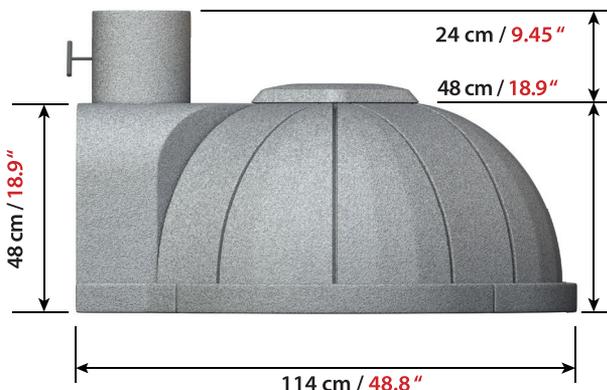

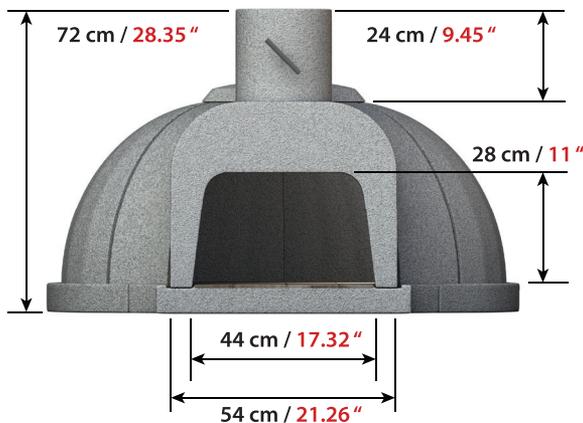

**CUORE**  
GOURMET WOOD-FIRED OVENS

This superbly made kit lets you build a superior wood-fired oven in a snap:

- Fast, easy assembly with 17 high-performance refractory concrete and tile parts.
- Includes flue damper, thermometer, door and thermal insulation blanket.
- All-clad refractory brick floor.
- Fully steel belted for stability and durability.
- High-efficiency, low-maintenance flue damper.
- Large, trapezoidal mouth for easy access.
- Unbeatable cost-to-benefit ratio.

weight: 300 Kg / 660 lbs
