## PE-129SG • Biedermeier Smoke Chest

w. 38", d. 19.25", ht. 39.25"

*A 3 Draw Biedermeier Chest in our sleek, smoke paint finish. German Biedermeier originated early 1800s and is based primarily on French Empire forms with perhaps a lesser nobility yet modern. This Port Eliot original features a beautiful sunburst on center of top draw. The moldings are tastefully accented with silver gild, resting on tapered legs. Exceptional in any setting with great storage.*
