Round Cocktail Table, Black w/ Ash Burl Artisan Top

Diameter 40", ht. 19"

This round hand painted Black cocktail table is a superb design offering tapered and slightly splayed legs and X stretcher. The brass connectors under the top are gold leaf. The table top has a gold-leaf trim on the inner rim and is hand finished in our beautiful Artisan Ash Burl. Note: Due to the nature of the burl timber, each burl face is unique and no two can be identical.
