

Port Eliot

PE-752CB • Crushed Bamboo & Pecan Cabinet (2 Door)

w. 52", d. 18", ht. 35.5"

This Beautiful & Alluring 2 Door Cabinet is amongst the most tasteful and stylish of Island Regency Design. Our hand rubbed knotty pecan on the tops and sides compliment the natural beauty of split Bamboo door panels. The hand-laid Bamboo creates a beautiful diamond pattern. The faux bamboo outer framing further enhances this Port Eliot original. One of my personal favorites. The interior is fitted with adjustable shelves.
