# NXT Restore

6 in 1 Extraction Cleaner with Encapsulation Properties

## Why Use?

Restore offers superior cleaning performance without alkaline boosters or enzymatic detergents. NXT Restore is a multi-use product designed to effectively remove heavy soiling, remove difficult stains, and deodorize carpets. NXT Restore is low foaming, economical, and safe for use in truck mount and portable extraction equipment. Restore contains SCI's FiberShield™ technology that aids in preventing wicking and re-soiling. NXT Restore is safe to use on most synthetic and natural fibers. Always test any questionable fabric in an inconspicuous area for wet cleaning compatibility and color-fastness. NXT Restore is designed to work with NXT Foam Encapsulation chemistry as an extremely effective low-moisture cleaning system.

## Directions:

### Wet Cleaning

- **Mix Ratio:** 1:3; 8 oz. for a 32 oz. spray bottle.
- **Directions:** Apply spotter to stain, let dwell for 5-10 minutes, agitate & extract with a micro-fiber cloth for HWE.

### Pre-Spray / Traffic Lane

- **Mix Ratio:** Normal soiling: 8 oz. per gal of water. Heavy Soiling: 12-15 oz. per gal of water.
- **Directions:** Apply with a pump-up sprayer, CRB machine, allow to dwell 5-10 minutes, & extract using clean water with 1 oz. of Restore in the tank.

### Restorative Low Moisture Cleaning

- **Mix Ratio:** Mix 8-12 oz. per gallon of water.
- **Directions:** Apply directly to the carpet using a CRB type machine, apply NXT Encapsulation for added soil protection.

## Technical Information:

Method	Pre-Spray
Appearance/Color	White
Dilution (oz./Gal.)	6-8:1
Pre-Spray Dilution (oz./Gal)	Up 20:1
Rinse Required	Yes
Foam Characteristics	Very Low
Freeze/Thaw Stability	Stable
pH (Max)	8.9
Shelf Life	24 Months
Odor Fragrance	Fresh

### Safe to Use On:

- Carpet, Upholstery, Walk Off Systems

### Purpose:

- Wet Cleaning
- Pre-Spray / Traffic Lane
- Restorative Low Moisture Cleaning

### Additional Info:

- Professional Grade Concentrate, Low Foaming, Biodegradable
- Truck Mount or Portable Extraction, Hot or Cold Water
- Wool Friendly

### Available Sizes:

- 1 Gallon (Single)
- 4 x 1 Gallon (Case)
- 266 Gallon Tote
- 5 Gallon Pail
- 55 Gallon Drum
